Testimony:

I know that the best way to share the gospel with others is to live it.

Heavenly Father doesn't expect us to live the gospel without Jesus's help!

I know that when we try to live the gospel, and ask for Jesus to help us, He will help us and will send the Holy Ghost to tell us it is true.

Being kind and loving to other people is the best way to help them want to learn more about Jesus Christ.

The Holy Ghost will help others to see and feel that the gospel of Jesus Christ is true when we love them.
