

If the Savior Stood Beside Me (Actions for Verse 1)

If the Savior stood beside me	Stand extra close to a friend
Would I do the things I do?	Hop up and down
Would I think of His commandments?	Point to head & wag it left and right
And try harder to be true?	Stand on tiptoes & stretch tall
Would I follow His example?	Stand on one foot then bend in half
Would I live more righteously?	Spin in a circle
If I could see the Savior standing nigh	Stand with crossed legs
Watching over me	Keep crossed legs, then bend in half

**If the Savior Stood Beside Me
(Ways to Sing Each Line of Verse 2)**

If the Savior stood beside me	Smile
Would I say the things I say?	Tongue between front teeth
Would my words be true & kind	Gritted teeth
If He were never far away?	Sing, but don't move lips
Would I try to share the gospel?	Opera voice
Would I speak more reverently?	Whisper
If I could see the Savior standing nigh	Big mouth so can see tonsils
Watching over me	Smile

If the Savior Stood Beside Me (Actions for Verse 3)

He is always near me	Point to picture of Jesus & stand near a friend
Though I do not see Him there	Cover eyes, shake head “no”
And because He loves me dearly	Hug self and twist back & forth
I am in His watchful care	Face a friend on “in” & stare
So I’ll be the kind of person	Point to self, then hands on hips one at a time
That I know I’d like to be	Point to head & nod head 3x
If I could see the Savior standing nigh	Hand to forehead, then to side for “nigh”
Watching over me	Point in circular motion with head bent down, then point to self
