ACTIVITY 1: JR: Actions; SR: Boy/Girl Puppets

Girls	Boys
Jesus walked upon	the water
He stilled	the storm
And calmed	the angry sea
With His hands he healed	the leper
He made	the lame to walk
	the blind to see
He fed a thousand people	with a loaf or two of bread
And when the ruler’s daughter died	He raised her from the dead
Jesus is a God	of miracles
Nothing is at all impossible	to Him
But I know this, of all	His miracles
The most incredible must be	the miracle that rescues me

4) When we share our testimonies, it helps them grow, and it also helps other people's testimonies grow. (JR: 5 minutes; SR: 1 minute)

TESTIFY:

- A testimony is when someone shares what they have **seen, heard, or believe to be true about Jesus Christ.**
- You can get your own testimony by **trying to do the things you learn at church.** We call this **living the gospel.**
- The more we **live the gospel,** the more we can feel the **Holy Ghost giving us revelation.** Revelation means he helps us know **that what we are learning at church is true.**
- You don't have to see Heavenly Father like Joseph Smith did, or be an "expert" in the gospel like President Nelson to receive revelation or to know that you are learning true things at church.
- When you **talk about how Heavenly Father, Jesus Christ, and the Holy Ghost have helped you,** you are sharing your testimony.
- When you **share your testimony,** you should tell what the Holy Ghost is teaching you about Jesus. This means that one way you can know that your testimony is growing is that it will be **a little different each time,** and it will **stop sounding the same as everyone else's.**
