

## Ministering Moment

---

Just a reminder that children will be given time to share ministering moments in Primary Opening Exercises next week. Help children who would like to share something fill out a card with their name, a service they have done, and how it helped their testimony grow. (Not every child needs to fill one out unless they want to do so.)

Here are some ideas of things they may have done:

- Did they hold the door open for someone?
- Did they smile at someone who was sad?
- Did they talk to someone who was feeling lonely?
- Did they serve someone in their family?
- How did it make you feel?
- How did it affect the other person?

Please return this packet to the Primary Presidency at the end of class time.

Thanks for all you do!
