Singing Time Songs: I can be a witness of the Book of Mormon.

It's snowing outside. Have you ever thought about what the pioneers experienced during wintertime? I've been reading my family history. My ancestors tell stories about sleeping in the snow! They lived through it and wrote it down! They "testified" of the things they saw and heard and felt. That makes them "witnesses."

The BOM witnesses of Jesus Christ (& strengthens our faith in Him): The Book of Mormon is another "testament" of Jesus Christ. The Book of Mormon is a record of prophets' experiences with Jesus Christ. They wrote down what they saw and heard and felt. That makes them "witnesses."

The Holy Ghost witnesses to us that Joseph Smith received the Book of Mormon by the power of God:

The 3 and 8 witnesses got to see the plates the Book of Mormon was written on. They wrote down what they saw and heard and felt in the introductory pages. That makes them "witnesses."

The Holy Ghost tells us the Book of Mormon is true and that Jesus Christ is the Savior of the world: When we have experiences with Jesus Christ, and then we write down what we see and hear and feel about Jesus Christ, that makes us witnesses too! In Primary this year, we are going to try to have experiences that help us learn about Jesus Christ so we can be a witness to our friends of who Jesus is and how much He helps us!
